We welcomed a number of new members and introduced ourselves.

WW1 Research

Julia has continued on with her searches of local papers during the time of WW1 particularly in relation to Scoulton, & noting anything relating to Carbrooke too. It has been found that the Rev. Godfrey (Carbrooke Vicar) volunteered to help abroad with the YMCA.

Jocelyn Mack at the last Wayland Heritage meeting, gave a talk on creative writing and acting.

We spent the rest of the meeting discussing our particular interests, and shared any interesting findings in relation to Carbrooke Heritage. A number of lead shot bullets had been found in a garden, discussions regarding the use and layout of Fuel Charity Cottage and grounds.

Next meeting Wednesday 21st January, 7pm in the Village Hall committee room.

It was arranged to visit to Norfolk Records Office 10am, 12th November, to follow up on our own interests.

Discussion points for 21st January

WW1 research ongoing

Project suggestions for the year.

Do we need to request funding from Parish Council.
